2 Clifton Terrace

Alnwick, Northumberland NE66 1XF

Whilst occupying a central location within the historic town of Alnwick, this impressive and substantial period property is tucked away off a quiet street and enjoys a wonderful open aspect over allotments and greenery. The accommodation is arranged around a stunning central hall with a turned staircase leading to the first and second floor. Sophisticated and elegant décor choices enhance the period and original features which are in abundance throughout the home and include original fireplaces, decorative corning, ceiling roses, picture rails and panelled doors. Sympathetic to the age and style of the property, the refurbished kitchen and bathroom fittings blend effortlessly with the original features and feel of the property. A large utility, pantry, and downstairs W.C. offer convenience for modern living.

Each bedroom floor has a bathroom or shower room facility, and the rather grand and spacious master bedroom enjoys a beautiful open aspect from the wide bay window. For buyers with a growing family or adult children, the second floor may particularly appeal as a separate 'Annex' space as there are two double bedrooms and a large 'L' shape room with a dormer window that is currently used as a TV and living space with views out to the front.

In addition to the well-stocked town garden at the front, the private stone walled courtyard at the rear provides excellent space for outside entertaining.
