We are delighted to present this charming 1930s-style end-of-terrace, five-bedroom family home, nestled in a peaceful tree-lined cul-de-sac near the sought-after Brooklyn/Country Park area. While the property would benefit from some TLC, it offers spacious living accommodation. The two separate reception rooms feature stylish laminate flooring, with the rear reception room boasting sliding patio doors that open onto a private garden. The fully fitted kitchen includes a range of wall and base units, along with an additional door providing direct garden access. On the first floor, you will find three bedrooms and a family bathroom, while the upper level benefits from two additional bedrooms and a convenient shower room. The home is further enhanced by gas central heating and double glazing. Ideally situated, this property is within easy reach of the Country Park and the convenient Harrington Road tram link. Norwood Junction BR/Overground Station is also nearby, offering excellent transport connections into London—perfect for commuters. Early viewing is highly recommended.
