St. Augustines Avenue, Bickley, BR2 8AG

Stunning three/four bedroom 1930's chalet style semi-detached house with over 2000 sq. ft. of living accommodation. The property was extended in 2016 offering an impressive, generously sized home. To the ground floor there is a good sized hallway with door leading to an integral garage, WC, a beautiful redecorated bright and airy reception room with feature fire surround, and doors opening onto the front garden. There is a superb, generously proportioned open plan kitchen/breakfast/family room which forms the relaxed hub of the house benefiting from a central island, integrated appliances and a good sized larder along with an additional play room/bedroom 4 and utility room. There are sliding doors opening onto a good sized rear garden with lawn area and L shaped patio which is ideal for entertaining. To the first floor there are three good sized bedrooms with bedroom one having fitted wardrobes and all being of a bright and airy aspect. There is also a good sized family bathroom with a white suite. To the side of the property there is an integral garage with an electric roller door and off street parking for several cars. Further benefits include "Nest" dual zone heating system, double glazing and the vendor informs us there was planning permission for an en-suite and a walk in wardrobe (may have lapsed). In our opinion there is also further opportunity to extend, subject to the usual planning consents. St. Augustines Avenue offers access to Bromley South and Bickley Stations with fast and frequent services into London. Also well positioned for sought after schools including Bullers Wood, Bromley High Secondary School and Bickley Park Independent School. In our opinion early viewing recommended. Under the Estate Agency Act we declare the vendors are related to a member of our staff.
