Description

Rarely available to the rental market, we are pleased to introduce this recently renovated spacious character two-bedroom terraced cottage style house on Bartholomew Road, situated just off the vibrant town centre of Bishops Stortford.

The property itself is located just a 4-minute walk away from the mainline rail station offering direct services into Stansted Airport, Cambridge City Centre and London Liverpool Street making this an ideal choice for both airport workers and city commuters alike.

The overall character of this property is clearly captured throughout with a showpiece fireplace situated within the front reception area which works in tandem with the interior decoration present throughout creating both a welcoming and cozy living space. This then leads on to the fitted kitchen area home to wall and base units finished in a traditional wooden cottage style.

Also present within the ground floor is a spacious dining room area with an ample amount of room for a dining table and chairs. Leading further towards the stairway is the clever inclusion of a full family sized bathroom also located on the lower floor with ceramic tiles adjacent to the bath itself.

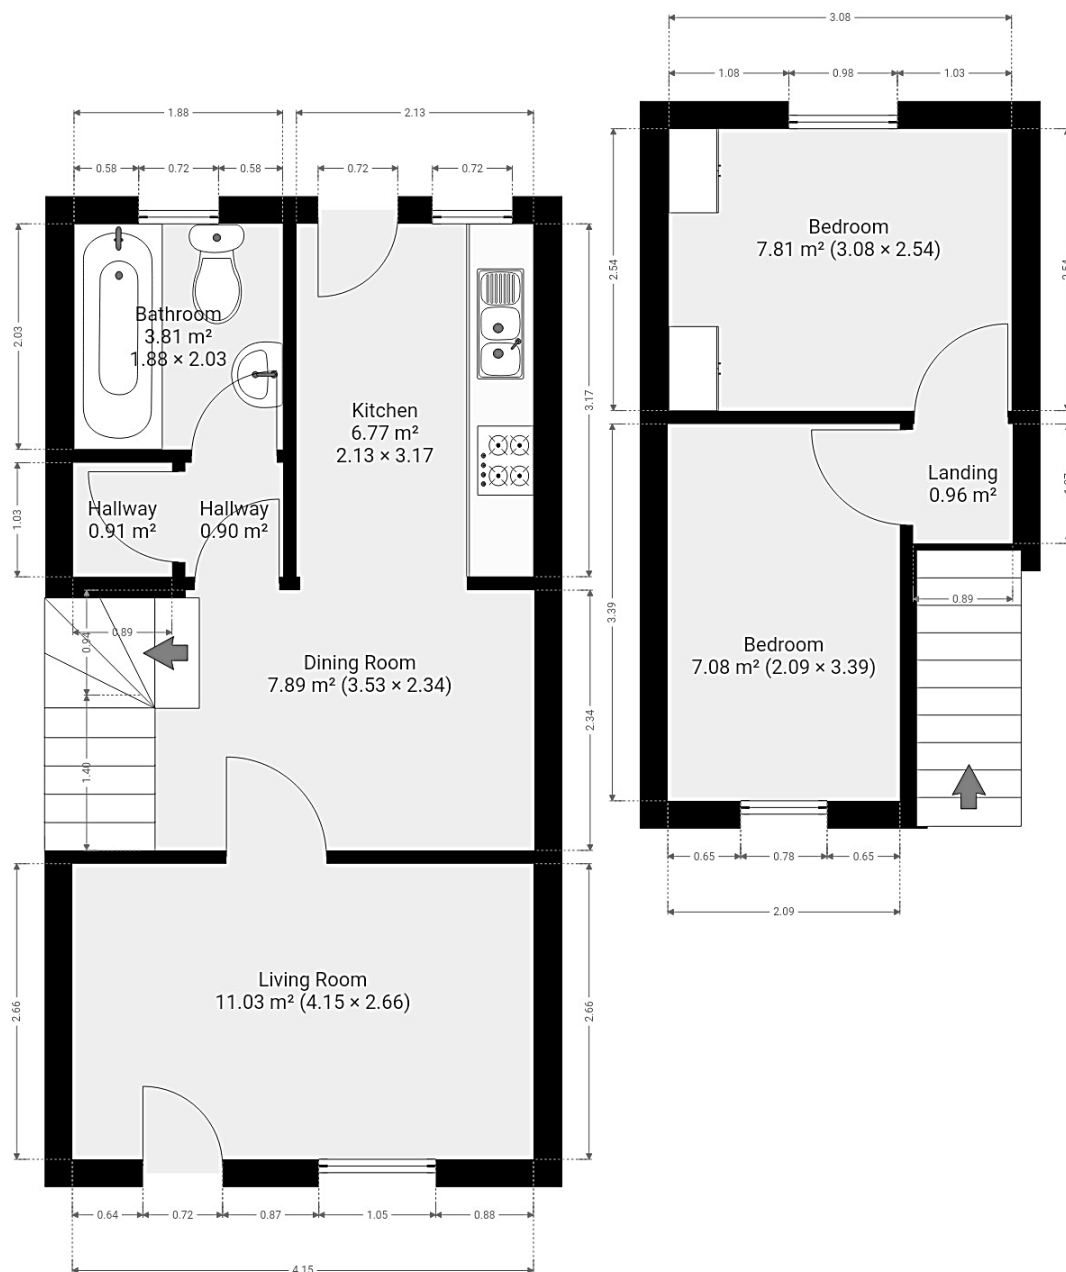

The rear private garden adds to the overall character of this unique cottage style home and provides a retreat from the hustle and bustle of the town - perfect for those summer nights. On the first floor of this property are two sizable double bedrooms, one with a built-in wardrobe providing storage space for all your essentials. The bedroom to the rear provides a peaceful outlook to the private garden space below. This rarely available home comes unfurnished with permit parking available on Bartholomew Road itself.

This family home is located just a stones' throw away from the town centre with various local amenities, schools and restaurants on its very doorstep. Bishops Stortford is known for its wide array of various bars, restaurants and coffeshops inclusive of the Port Jackson Wetherspoons, the vibrant and highly fashionable Eat-17 food market and restaurant as well as the Coffee House to name but a few.

| Score | Energy rating | Current | Potential |
