Description

The Charter House is a handsome and impressive Georgian, former farmhouse dating from approximately 1820 with modern additions. The property offers a traditional white wash finish with multi-pane windows and part ivy clad walls surrounded by shaped lawns and mature trees providing ample screening. Approached over a cattle grid driveway which in turn leads to a sweeping parking apron with hardstanding and a detached three-car garage with dovecote over. To the rear there is an outdoor heated swimming pool with block brick patio along with a converted barn having a bar and changing facilities. The outdoor space extends to include a traditional pub room and boiler house also having the added benefit of a phase 3 electric supply. Located within the gardens and grounds, is a separate detached brick and tile traditional studio which would make an ideal remote office/cinema room/gym. Finally, there is a formal grass tennis court with beach hedging.

In total, the living accommodation of the main residence extends to 3000 sqft plus a bar and changing rooms alongside a 500 sqft studio, formal gardens, stables and paddocks extending to nine acres with an additional ten acre field.

Very rarely does such a stunning and unique family home with acreage come to the open market, internal inspection is strongly recommended.

Accommodation Details

A traditional entrance door flanked by twin multi-glazed windows and a generous canopy, leads into the entrance hall. A traditional staircase rises off to the first floor landing, a cloakroom WC and cellar is beyond. On either side of the entrance door there is a generous 25ft drawing room and separate dining room, both enjoying a dual aspect of the gardens and grounds to the rear, a large snug with fireplace and French door leading onto the patio and pool area. Finally on the ground floor is a kitchen/breakfast room with pantry utility and ground floor WC.

To the first floor, doors lead off the landing to four generous double bedrooms, including a master with en-suite facilities, a walk-in closet and a modern wet room/WC together with a large family bathroom and separate WC suite.

Outside

The driveway leads to a large tarmac parking apron and turning area in front of the triple-door detached garage with dovecote over. To the rear of the property is a large block brick patio, and heated outdoor swimming pool, shaped lawns with floral beds and borders, specimen trees and beach hedging, dividing the formal lawn tennis court. Also fronting the large block brick patio, making the space ideal for outdoor dining and entertainment, is a separate detached former barn. Currently used as a bar and family area with changing facilities and the pump room/boiler house. Finally, within the formal gardens which extend to approximately 4.75 acres there is a separate detached 500sqft studio building that would ideally convert, subject to appropriate consent, into an annexe/ gymnasium/games room or cinema room.

Adjacent to the garage is a holding paddock, which in turn leads to 9 recently re-roofed loose boxes with direct access onto paddocks, extending to approximately 4.27 acres or thereabouts.

Finally there is a further ten-acre field currently, this field is let on an agricultural tenancy until the 29th September 2024.

Overage Clause

The property will be sold with an overage clause on the land (excluding the house and garden areas)

The overage claws back 25% of any development uplift in value attributed to any change of use or planning permission (over and above existing use value - agricultural/equestrian) for a period of 25 years
