Situation

East Birkwood enjoys a commanding position on Waterfoot Road with views to Ben Lomond and beyond and is quietly positioned opposite mature woodland, accessed by a tree lined road only a short walk to Thorntonhall Train Station.

Thorntonhall is a quiet leafy village, located approximately 8 miles south west of Glasgow, characterised by substantial detached houses in a series of tree lined streets and cul-de-sacs and is recognised as one of Glasgow's premier residential addresses. Several substantial modern mansions have been built on the sites of the original dwellings and significant ongoing investment continues to be made by the residents in their homes.

A regular train service runs from Thorntonhall to Glasgow Central Station and excellent shopping facilities can be found in East Kilbride (3 miles) and Newton Mearns (4 miles). There are several golf courses in the area and a selection of local health clubs. Calderglen Country Park is also within easy reach.

The M77 provides commuter access to the City Centre, Glasgow Airport and along with the Southern Orbital provides an excellent connection to the Central Scotland motorway network as well as south towards Ayrshire and Prestwick Airport.
