Situation

Ravenscourt was originally a grand house within the village, situated on a small hilltop and was built by Alfred McAlpine in the late 1980's.

Thorntonhall is a quiet leafy semi-rural village, located approximately 8 miles south west of Glasgow, characterised by substantial detached houses in a series of tree lined streets and cul-de-sacs and is recognised as one of Glasgow's premier residential addresses.

A regular train service runs from Thorntonhall to Glasgow Central Station and excellent shopping facilities can be found in East Kilbride (3 miles) and Newton Mearns (4 miles). There are several golf courses in the area and a selection of local health clubs. Calderglen Country Park is also within easy reach.

The M77 provides commuter access to the City Centre, Glasgow Airport and along with the Southern Orbital provides an excellent connection to the Central Scotland motorway network as well as south towards Ayrshire and Prestwick Airport.
