Elegant living room

Welcoming you into the home and setting the tone for the interiors to follow is an inviting hallway with a built-in under-stair cupboard. On your left, you step into a living room, where tasteful neutral décor is enhanced by a warm wood floor, and a homely multi-fuel stove offers a warm atmosphere and a focal appoint around which furniture can be arranged. A door from here leads through to the kitchen, where a vaulted ceiling, a skylight, and French doors opening onto the garden create a light and airy ambience.

Integrated appliances comprise a fridge/freezer and a dishwasher, whilst provision is made for a central dining area – perfect for sit-down meals, morning coffee, and socialising while cooking. The kitchen is supplemented by a large utility room (accessed via an internal hall off the living room) with additional cabinetry, a ceramic sink, space for laundry appliances, heated flooring and workshop/storage access. Also connected to the utility room is a further hall with built-in storage, space for coat and shoe storage, and a door to the garden.
