It's in the details...

#### 'Sellers Comments'

The Leam Terrace community is charming and welcoming. It is anchored by The New Inn, a well-known pub with locals, that serves Sunday roasts with the best gravy in town. They also organise the annual 'Leam Terrace street party' to raise money for local charities and it has been a firm favourite of ours. In our time here, we have benefitted from the convenience of walking into town to enjoy the shops, cafes, parks and green spaces that Leamington has to offer. The proximity to the train station has allowed us to pop into London at short notice to enjoy city life and visit friends. We have also soaked in the tranquillity of our garden and adjoining orchard often with a drink whilst watching the sunset.
