South Harrow is South-West of Harrow-on-the-Hill in the London Borough of Harrow and its development originally spread South and West from the hamlet of Roxeth as a result making it easier to access to Central London by rail.

The area includes the geometric garden estate of Shaftesbury Circus. Beyond this historic heart, lies a newly-developed retail park which compliments the original high street, Northolt Road, offering a variety of amenities.

A variety of local buses serve the nearby town centre of Harrow which features two indoor shopping centres, a cinema and a wide range of major retailers.

There are many local schools within close proximity to the property, including Welldon Park Primary School; Heathland School; Grange Primary School and Petts Hill Primary School.
