GARDENS AND GROUNDS

Little Haven is approached off the road onto a private block paved driveway providing off-road parking for several vehicles, beyond which is a detached single garage with an up and over door, an inspection pit and full electrical services. The garage offers potential to convert into ancillary accommodation subject to necessary consent. The large front garden is predominantly laid to lawn with a variety of mature shrubs, borders and trees. The beautifully landscaped wraparound gardens are predominantly laid to lawn with a variety of mature shrubs, borders and trees. A patio area and a decked area provide ample space for outdoor entertaining and dining. The rear garden further benefits from an artificially turfed area with space for a hot tub, a summer house and a brick built insulated outbuilding with electrical services which is currently occupied as a home office.
