Summary of Accommodation

Ground Floor

Entered via a stained glass single glazed wooden door into a porch benefiting from original tiled flooring, decorative tiled sills and single glazed stained glass windows to all elevations. A second partially glazed solid wooden door leads into a welcoming hallway enjoying partially tiled and partially woodblock parquet flooring and a uPVC double glazed full height feature window providing views into the conservatory.

The sitting room benefits from continuation of wood block parquet flooring, exposed ceiling beams, a central feature Norwegian 'Jotul' wood burning stove with a pine mantelpiece and a tiled hearth, two sets of double glazed wooden doors providing access to the conservatory and a carpeted staircase leading to the first floor.

The South facing conservatory enjoys tiled flooring, double glazed wooden windows and a set of French doors providing access to the raised deck.

The dining room benefits from continuation of wood block parquet flooring, a ceiling rose, dado rails, decorative corning and two aluminium double glazed windows to the rear elevation.

The kitchen has been fitted with a range of wall, base and tower units with laminate work surfaces. Integral appliances to remain include; a 'Belling' electric oven/grill, a 'Hotpoint' 6-ring gas hob with an extractor fan over and a 'Bosch' fridge/freezer. Space and plumbing has been provided for freestanding white goods. The kitchen further benefits from tiled flooring, partially tiled splashback, a bowl and a half stainless steel sink with a mixer tap over, exposed wooden beams, two aluminium double glazed windows to the rear elevation, a large partially glazed wooden door providing access to the raised deck and a second partially glazed wooden door providing access to a side porch with access to the rear garden.

The living room benefits from carpeted flooring, a central ceiling light point and two single glazed wooden windows with secondary glazing to the side/rear elevation.

The study is a versatile space enjoying carpeted flooring, recessed ceiling spotlights, an antique bookcase, a single glazed wooden window with secondary glazing to the side elevation and a uPVC double glazed window to the front elevation.

The rear lobby enjoys continuation of woodblock parquet flooring, a partially glazed wooden door providing access to the cellars and a single glazed wooden window to the rear elevation.

The cloakroom serving the downstairs accommodation has been fitted with a 2-piece white suite comprising; a floating wash-hand basin set within a vanity unit and a floating WC. The cloakroom further benefits from tiled flooring, partially tiled walls and a feature single glazed arched wooden window to the side elevation.

First Floor

The first floor landing benefits from carpeted flooring, feature dado rails, a recessed storage cupboard and a loft hatch providing access to the loft space.

Bedroom one is a spacious double bedroom and enjoys carpeted flooring, a range of fitted wardrobes, picture rails, a walk-in wardrobe and three single glazed wooden windows with secondary glazing to the front/side elevation. The ensuite has been fitted with a white wash-hand basin set within a vanity unit and a large walk-in shower cubicle with a thermostatic shower over. The ensuite further benefits from vinyl flooring, recessed ceiling spotlights, tiled walls, a wall mounted chrome towel radiator and a uPVC double glazed window to the front elevation.

Bedroom two is a spacious double bedroom benefiting from carpeted flooring, a range of fitted wardrobes, a wash-hand basin set within a vanity unit, a corner shower cubicle with a thermostatic shower over, a wall mounted chrome towel radiator, a single glazed wooden window with secondary glazing to the side elevation and a uPVC double glazed window to the front elevation.

Bedroom three is another double bedroom benefiting from carpeted flooring, a range of fitted wardrobes, a uPVC double glazed window to the side elevation and a single glazed wooden window to the rear elevation.

Bedroom four/the dressing room (currently used as a sitting room) enjoys carpeted flooring, a recessed storage cupboard housing the hot water cylinder and a uPVC double glazed window to the rear elevation.

Bedroom five is a further double bedroom benefiting from carpeted flooring, a recessed storage cupboard, a loft hatch providing further access to loft space and two uPVC double glazed windows to the side and rear elevations providing elevated views over the garden.

Bedroom six is a single bedroom enjoying carpeted flooring and a single glazed wooden window with secondary glazing to the rear elevation.

The family bathroom has been fitted with a 3-piece white suite comprising; a floating wash-hand basin, a tiled panelled bath with a hand-held shower attachment and a walk-in shower cubicle with a thermostatic shower over. The bathroom further benefits from tiled flooring, tiled walls, recessed ceiling spotlights and a single glazed wooden window to the rear elevation.

The cloakroom has been fitted with a WC and further benefits from carpeted flooring, tiled walls and a single glazed wooden window to the rear elevation.

Lower Ground Floor

A carpeted staircase from the rear lobby of the ground floor leads to the cellars providing ample space for storage. Located within the cellars is an area used to house a 'Jacuzzi', a workshop area with full electrical services and housing the floor mounted 'Ideal' boiler, an electric 'up and over' garage door provides access to the rear driveway. A utility area also accessed from outside of the property via a wooden door benefits from a 'Belfast' sink and a WC.

Gardens & Grounds

Spring Cottage is approached off the road via wooden gates onto a sweeping block paved driveway providing off-road parking for several vehicles and access to the detached double garage. The substantial wrap around gardens of 3.94 acres include a number of lawned areas, a variety of mature shrubs, borders and fruit trees including Apple, Plum and Pear Trees., two greenhouses, a water fountain, a pergola with climbing roses, a cedarwood gazebo, a summer house, a tractor shed, a small lake and a Koi Carp pond with a filtration system.

The 10m x 5m swimming pool is set within a polycarbonate enclosure allowing use all year round, however it can be opened in warmer weather. The pool is heated via a 'Calorex 31 Air Source' heat pump.

The stone built detached double garage benefit from an electric up and over door, full electrical connections and a glazed extension overlooking the swimming pool.

Additional Information
