We are informed that the farm has the benefit of a mains water supply and separate well fed water supply. The farmhouse benefits from mains electricity and a private sewerage scheme. The land benefits from natural water supply albeit is not available to all fields.

THE FARMHOUSE

The farmhouse is a substantial detached 5/6-bedroom t-shaped farmhouse in need of complete renovation and modernisation. It is constructed of rendered stone elevations under a tiled roof and benefits from a stone barn with corrugated sheet roof which adjoins the house on its southerly gable end and may have potential for conversion subject to any necessary planning permissions.

THE FARM BUILDINGS

The farm buildings comprise of a range of traditional stone-built farm buildings and semi modern hay barn situated in the farmyard adjoining the farmhouse. They may have potential for conversion for alternative use subject to any necessary planning permissions.

THE FARMLAND

The farmland which includes approximately 184.95 acres of pastureland most of which comprises southerly facing hay meadows which are mowed annually for hay.

WIND TURBINE LEASE

Part of the property as shown in blue on the plan is subject to a wind turbine lease for a period of 25 years from 2015. The passing rental is in the region of £27,998 per annum and is subject to rent increases in accordance with the Retail Price Index. Any intending purchasers of this lot may be provided with a copy of the lease and full details of the rent passing on request.

BASIC PAYMENT SCHEME

The farm has been registered under the Welsh Basic Payment Scheme. The entitlements are excluded from the sale but are available to purchase by separate negotiation. The seller will retain the right to receive the benefit of the 2024 Basic Payment Scheme Claim.

BOUNDARIES

The responsibility for boundary maintenance, where it is known, is as shown by the inward facing 'T' marks.

WAYLEAVES/EASEMENTS
