A range of Neff appliances to remain to include; dual ovens, grill/micro, warming drawer, larder fridge and freezer, induction hob with built-in extractor, dishwasher and wine cooler. The kitchen further presents an inset sink unit with granite drainer and instant hot water tap, beneath a broad triple glazed window with views over Dunraven estate. This first floor has a cloakroom/WC with a useful sliding door cloaks cupboard, and a separate cosy sitting room.

The principal bedroom suite is a fantastic double room with the most stunning sea views, leading onto a composite balcony which catches the morning sun. This bedroom has its own walk-in dressing room and luxurious 5-piece ensuite bathroom.

To the ground floor, and from its impressive entrance hallway which is laid with ceramic tile flooring, are five double bedrooms. The larger of these two bedrooms have modern ensuite shower rooms along with fitted wardrobes and sliding doors lead out to the south-facing patio area.

Also, a useful utility room with access to the side of the property fitted with a range of storage cupboards, and a separate home office. Access is also provided into the double garage.
