Summary of Accommodation

ABOUT THE PROPERTY

- * 1 Court Cottage is understood to have once been part of the original Medieval Court House and retains much charm; yet offers the scope and adaptability required for a family home.
- * Entrance porch, with flagstone flooring extending into a central ground floor hallway and into a family sitting room.
- * From the hallway, doors lead off to a family sitting room, to a lounge and to a kitchen/breakfast room; stairs lead to the first floor.
- * A sizeable lounge with deep bow window incorporating a window seat looks over the front garden. It has, as a focal feature, a chimney breast with recessed open fire within resting on a slate hearth.
- * This space links through to a long dining room to the rear of the property.
- * This particularly generous dining space is immediately adjacent to the kitchen - linked by a door - and has double doors opening to a paved patio with garden beyond.
- * Kitchen/breakfast room itself is a very good space including a range of fitted units with marble work surfaces. There remains ample room for a family dining table: an adjacent window looks out over the rear garden.
- * 'Smeg' rangemaster cooker is to remain. There is space/plumbing for a dishwasher and also for a tall fridge freezer.
- * A door from the kitchen opens to the rear garden space.
- * The adjoining utility room incorporates additional storage units and space/plumbing for a washing machine.
- * Beyond the utility room is a ground floor shower room / WC.
- * Also positioned to look to the front of the property is a second, family sitting room with chimney breast flanked, to either side, by recesses. The fireplace includes a log burner style gas fire.
- * To the first floor, the largest bedroom looks to the front of the property and includes fitted wardrobes.
- * It has its own extremely stylish, contemporary en-suite shower/bathroom with freestanding claw-and-ball footed bath, fitted shower cubicle and basin with marble surround and storage cupboard beneath.
- * Second double bedroom also looks to the front while a third bedroom, with fitted wardrobes, overlooks the rear garden. A fourth single bedroom also looks to the rear.
- * These three bedrooms all share use of the family bathroom.

GARDENS AND GROUNDS

- * 1 Court Cottages borders onto Michaelston Road, there being a broad opening leading onto a driveway frontage owned by 1 Court Cottages but with shared usage and maintenance between three properties.
- * From this tarmac topped area a driveway skirts passed a front lawn and leads, through a tall, broad gated entrance, onto a paved parking area out to the side of the property.
- * The parking area, in turn, leads into a block built double garage (approx. max. 5.9m x 5m) with power connected and eaves storage over and entered via twin up and over doors.
- * Accessible from both the dining room and the kitchen is a paved patio seating area which leads directly onto the gardens.
- * These lovingly tended, well cared for gardens offer differing "garden rooms" and feature a natural lawn, a pond area and a vegetable bed and adjacent, twin greenhouses.
- * To the rear of the garage is an additional stone and brick built store shed (approx. max. 3.9m x 3.4m) which can be used as a garden store/workshop/other varied uses.
- * The gardens are enclosed in a screen from Michaelston Road by mature laurel hedging to the roadside and, to its rear, by mature copper beech hedging.
