## Summary of Accommodation

### ABOUT THE PROPERTY

Positioned to the bottom of this quiet cul-de-sac within walking distance to village amenities, Three Horseshoes Pub and Primary school.

A composite door opens through into a central hallway with carpeted staircase to the first floor landing.

The lounge is a generous sized reception room with broad window overlooking the front. This room benefits from original parquet flooring and seamlessly opens into the dining room.

The dining room has access out via a sliding patio door onto the garden and provides ample space for dining furniture. This room leads into the kitchen which has been fitted with a modern range of wall and base units and complementary stone-effect work surfaces. Integral appliances to remain to include; induction hob, oven with grill and space is provided for a freestanding fridge/freezer and dishwasher (available via separate negotiation). The raised breakfast bar area is ideal for entertaining and provides additional seating area for guests.

The conservatory is of uPVC construction and is a lovely peaceful room to enjoy views out over the garden, with access out to the rear garden.

From the kitchen, a utility area provides plumbing for a washing machine and tumble dryer extraction; and leads to a 2-piece WC.

Additionally to the front of the property is a separate sitting room which would prove ideal as a playroom or home office.

To the first floor, there are three double bedrooms on offer. The principal bedroom has its own shower, and the two other bedrooms benefit from fitted wardrobes and have shared use of the family bathroom. The family bathroom also houses the gas-combi Baxi boiler. Adjacent to the bathroom is a separate 2-piece WC.
