Summary of Accommodation

About The Property

Situated in an elevated position above Corntown Road, The Nook occupies a private, sheltered spot and from which there are views to the front in a westerly direction over open fields and farmland.

Offering extensive, adaptable family accommodation. From an entrance hallway, a staircase leads to the first floor while doors open into a bedroom with en suite shower room; to two other bedrooms; and to a bathroom.

Further doors open into a lounge with wood burner set within a fireplace flanked by alcoves fitted with display shelves; and another door opens into the living-dining-kitchen space. These reception rooms are to the front of the property and are positioned to enjoy the wonderful, westerly views.

The contemporary kitchen, to the heart of the living space, has granite worktops extending, in part, to form a breakfast bar and has fitted appliances to remain and including Neff hob, oven, steam oven, microwave and fully integrated dishwasher, fridge and freezer. There remains ample space for a sizeable dining table. Two sets of bifold doors open, respectively, to a front, paved seating area and to a lawned, sheltered side garden.

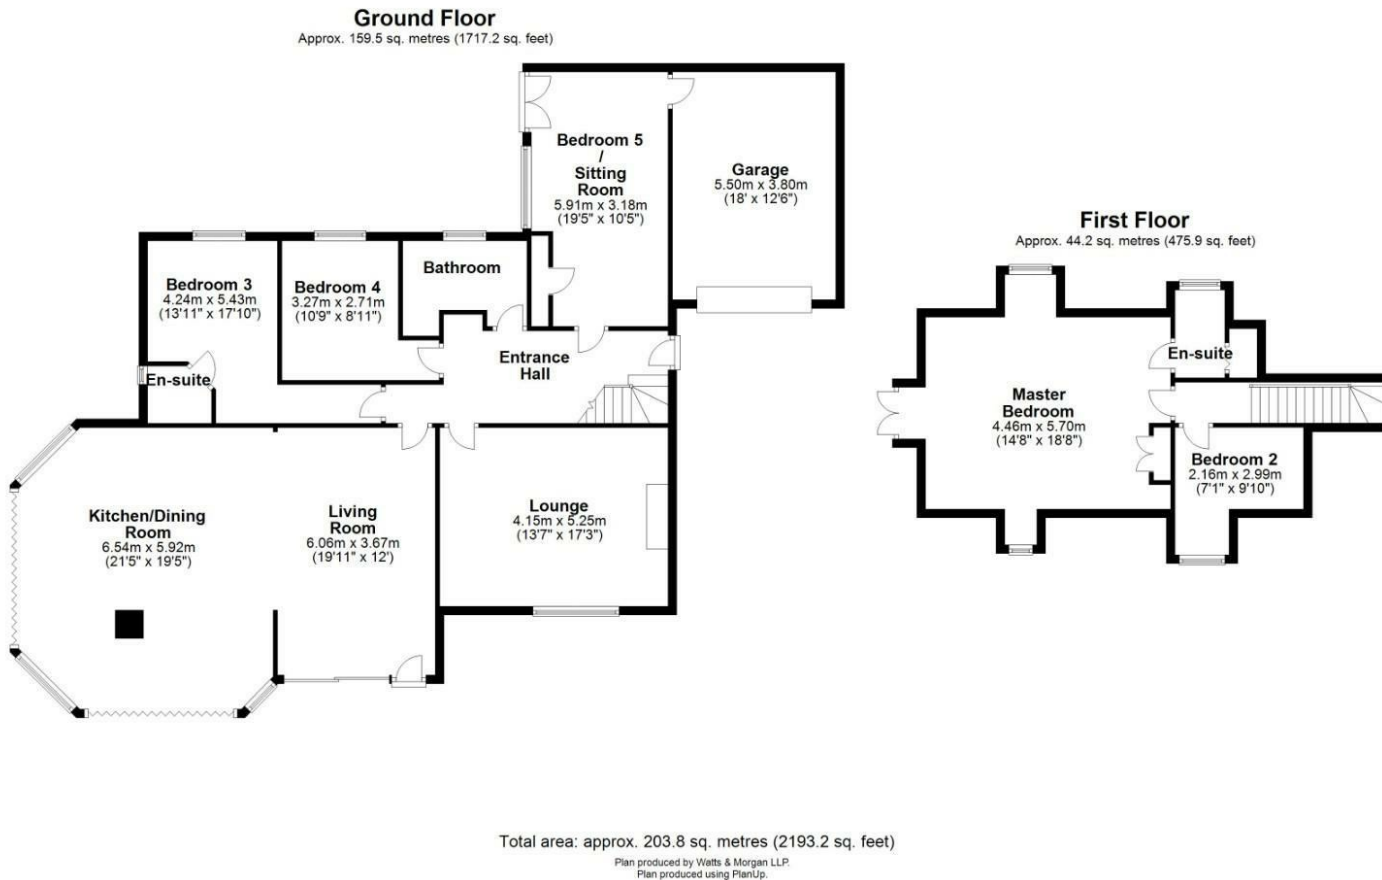

To the first floor is the principal bedroom, an extremely generous bedroom with modern fitted wardrobes and matching chest of drawers. Windows look from here to the front and rear elevations while double doors open out onto a roof terrace looking onto the lawned garden to the north-eastern side of the property. The first floor is also complimented by a further bedroom, which also enjoys views over farmland.

Garden & Grounds

A sloping drive from Corntown Road runs to the western side of the property and has ample parking space. The integral garage, accessed from the driveway via an electric roller-type door. A path to the edge of the drive leads to the entrance and continues, through a gate, to the front garden.

This front garden space is raised above the roadway and is screened from the same by mature hedging & fencing. From here, there are open views in a westerly over farmland and the surrounding area. The path continues to a larger garden area with paved seating area and lawn. This is accessed from, and overlooked by, the kitchen-dining room and continues to further sheltered garden to the rear of the property.
