Summary of Accommodation

About the property

Tynewdd is a modern property located within the most sought after, picturesque 'West End' of Llantwit Major, it is within easy striking distance of both the town and the beach. An entrance porch accessed from Colhugh Street leads to a ground floor hallway; a staircase leads from here to the first floor while a door opens into the principal living space. This generous sized room looks onto Colhugh Street and has, as a focal feature, a contemporary wood burning stove. It also includes built-in storage cupboards with display shelf atop. A door links from here to the kitchen/breakfast room positioned to the rear of the property, another generous space with window overlooking the rear garden and including a walk-in shelved pantry and deep under stairs store cupboard. Fitted units and breakfast bar are of course to stay; ample space remains for a dining table. A doorway from the kitchen leads to a rear entranceway from which there is access into the ground floor WC and also to the garden.

To the first floor a landing area has doors leading to both bedrooms and to the family bathroom. The largest bedroom looks onto Colhugh Street and is especially generous in proportions. It could, potentially, be sub-divided to create two bedrooms. Two windows look to the front, and it features a deep storage cupboard. A second double bedroom overlooks the rear garden and has exposed, varnished wooden floorboards and a wardrobe. The bathroom, like the second bedroom, has varnished wooden floorboards and includes a traditionally styled 3-piece bathroom suite with shower over bath.
