Garden & Grounds

Located close to the end of this cul-de-sac, there are two off-road parking spaces fronting the property. A path leads from here through a slate-chipped front garden to the principal entrance doorway. The path itself skirts around a store cupboard, ideal for bins, boots, etc. To the rear of the property is an enclosed and sheltered low maintenance garden enjoying a sunny southerly aspect. From the dining area, double doors open to a decked seating area which leads, in turn, onto a central Astro turf lawn edged, in part, by slate chippings. Planted raised beds partially divide the lawn from a second generous decked seating area to the far end of the garden, neatly sheltered beneath wonderfully mature oak trees and enjoying views, through the trees, onto paddock beyond.
