Summary of Accommodation

About the property

No.5 Love Lane is a mid-terraced property in a wonderfully popular location, conveniently close to Cowbridge Town, the schools and the playpark. Modernised in recent years, it provides very welcoming family accommodation and offers considerable potential to extend. A central entrance hallway to the heart of the house features a staircase, with store area beneath, leading to the first floor; doors lead to the lounge and to the kitchen-diner. The family lounge is a light filled, ual aspect room with a window to the front elevation and double doors leading to the south facing rear garden. It has, as a central feature, a fireplace flanked to both sides by fitted storage cupboards. Accessible from the hallway is a dining room looking to the front elevation with original woodblock flooring. This great family space is open plan to the contemporary kitchen with its comprehensive range of fitted units. Appliances, where fitted, to remain and include: oven, microwave, hob and fully integrated fridge, freezer and dishwasher. A door to the far end of the kitchen leads to a rear entrance lobby from which double doors lead to the garden and additional doors open into a laundry area and into a WC.

To the first floor are four double bedrooms and the family bathroom all accessed from the landing area. The largest bedroom is a particularly good double with dual aspect windows to the front and rear and a bank of wardrobes running the depth of the property. The other three bedrooms are all generous in size, all sharing use of the modern family bathroom with a shower over the bath.

NB

Planning permission has recently been submitted to the Vale of Glamorgan Council (Planning Ref 2025/01025/FUL) to extend the ground floor accommodation, creating a new dining area, kitchen, utility and cloakroom.
