The Accommodation

Central Dining

With this style of bungalow you often find a centrally positioned dining/ reception area which links to principle rooms including the breakfast kitchen on the right, receptions on the left and bedrooms to the rear, whilst also having patio doors which open out onto the rear garden.

Breakfast Kitchen

Forming part of the extension the breakfast kitchen is fitted in the right hand side and offers a range of base units with complimentary worktop, inset sink, hob and eye level oven and grill. Double doors lead from the dining area into the lounge and the talking point with this style of bungalow is the vaulted ceiling. Enjoying the dual aspect to the front and rear with French doors and glazed sections either side allow natural light to flood in and inset gas fire.

Inner Hall

Making your way back through the dining area a part glazed door opens into the L shaped inner hall which gives access to both bedrooms and shower room with dual aspect overlooking the rear garden.

The master bedroom is a great size, offering a range of built in wardrobes and dressing area with aspect over the rear garden, whilst you will find two further doubles with aspect over the gardens.

Shower Room

Spacious and contemporary with a white suite which incorporates a large wash basin with floating vanity below, WC and large walk-in shower, contrasting tiled finish, chrome fittings including a tall towel radiator and dual aspect to the side.

Garden

The garden is private and enjoys a wooded aspect. From the kitchen we have a courtyard styled area which gives access to the garage, gate to the front and continues to the rear. Then the garden opens up and sweeps round to provide multiple seating areas, shaped lawn, planted borders with fence boundaries and mature fruit trees.

Double Garage

With twin opening doors to the front (one electric) side access and additional storage to the rear.
