****NO CHAIN**** You wont find many properties like this especially located in the ever popular, Eastham Village. This is a unique property which is set back from the main village and offers well proportioned accommodation having had a refurbishment whilst offering a number of EXTRAS which need to be seen to be appreciated.

The access is off Eastham Village Road shared with Eastham Mews and hidden behind a sandstone wall. As you turn off Eastham Village Road the bungalow can be found on the left hand side with off road parking for several cars, the property has a central entrance with access to the rear.

The central hallway provides access to principle rooms which includes 2 bedrooms on the left, modern bathroom ahead, built in storage and living space on the right.

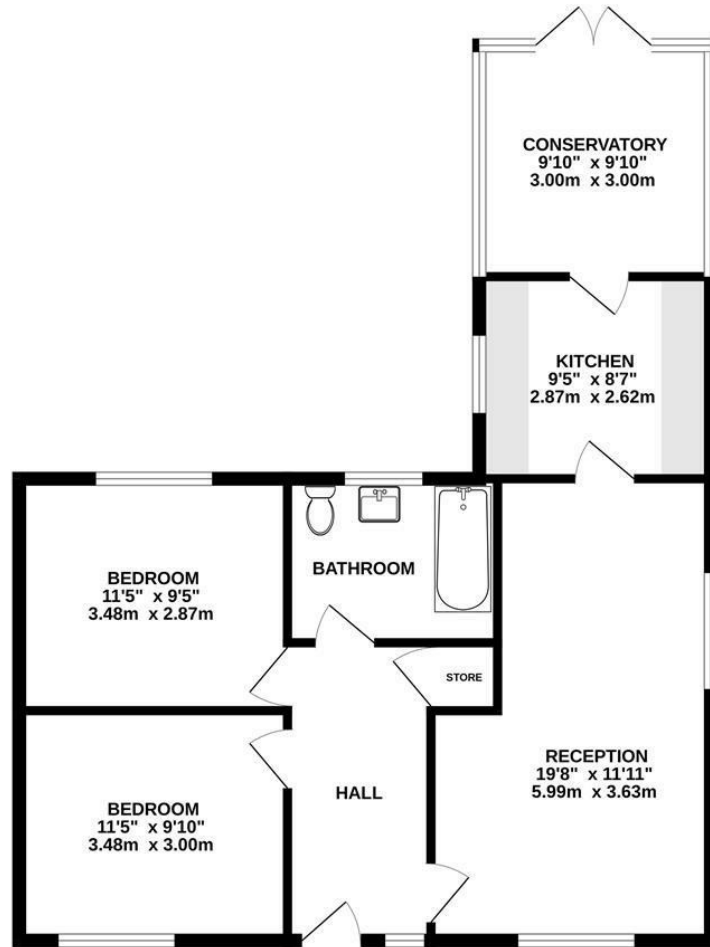

The through lounge diner is filled with natural light from two large windows to the front and side with connecting door into the contemporary kitchen which offers a wide range of wall and base units with contrasting worktops and space for appliances. To the rear you will find a bright conservatory with the door leading out overlooking the garden.

Gardens surround the bungalow with mature aspect offering lawn and patio areas. On the left hand side of the garden, off the patio area, you will find a door which opens into what was formally a double garage and now offers huge potential to create your own space, be it a gym, studio, office or further reception space.
