Stanley Avenue, Higher Bebington

Guide Price
£875,000

This handsome traditional home, located within the Mountwood Conservation Area, stands in approximately 0.8 of acre of both lawned and wooded garden, the latter stretching up to the wooded gardens of Mountwood. The history of this 'double' sized plot is that our client's family bought the extra land from Lever Brothers in the 1950's to give them some distance from their neighbours, south west side. It follows then that, subject to planning approval of course, there is ample meterage for a building plot for a suitably sized new home, whilst still allowing for the existing home to have a private, and also part lawned and part wooded rear facing garden to enjoy. You will notice at kerb level the drop down for what was to be the driveway for the originally intended building plot...

The property is indeed handsome and very nicely proportioned, offering two reception rooms each with a wood burning stove, a kitchen, utility, cloakroom and study at ground floor level and with four bedrooms and two bathrooms at first floor.
