

This is an attractive, cottage styled, Victorian bay fronted terraced home in a row of matching properties along Stuart Road, with permit parking available on street. (Application required). The property comprises a front living room to a rear dining room area, off which is a separate spacious kitchen with skylight. There is a sizeable three piece shower room, also with skylight, and utility store which are also at ground floor level. Up at first floor are three bedrooms and a similarly large bathroom. The property has double glazing and gas central heating (boiler annually serviced). Please note there is no onward chain to this property purchase.

Perhaps slightly larger than expected, especially given the size of bedrooms and bathroom at first floor, together with the ground floor extension allowing for a bigger, separate kitchen and shower room. This is also an immensely attractive Victorian terraced home in needing of a little updating etc..

This property sale has no onward chain connected, so you can assume a straight forward conveyance to purchase. As key holders, we can usually accommodate a viewing at relatively short notice. Please call us on (0151) 608 8586 and directions to the property are to be found on Sat Nav. CH42 7LE
