This house is surely one of the largest terraced homes in between 'The Parks' - one of the best views across Mersey Park, one of the best positions and with the best features also; maybe. For example you'll agree you'll be hard pressed to come by a home here that offers an INTEGRAL GARAGE, an EN SUITE, two excellent sized reception rooms, a large kitchen, a very spacious 'Master' bedroom and family bathroom. With double glazing, a brand new gas central heating boiler, smart floor coverings and last but by no means least a fabulously spacious entrance hall are some of the great features to this XL terraced property. Note also please that there is no onward property chain to this sale.

In the first instance we suggest you check out our floor plan to appreciate just how much bigger this property is to its neighbours.

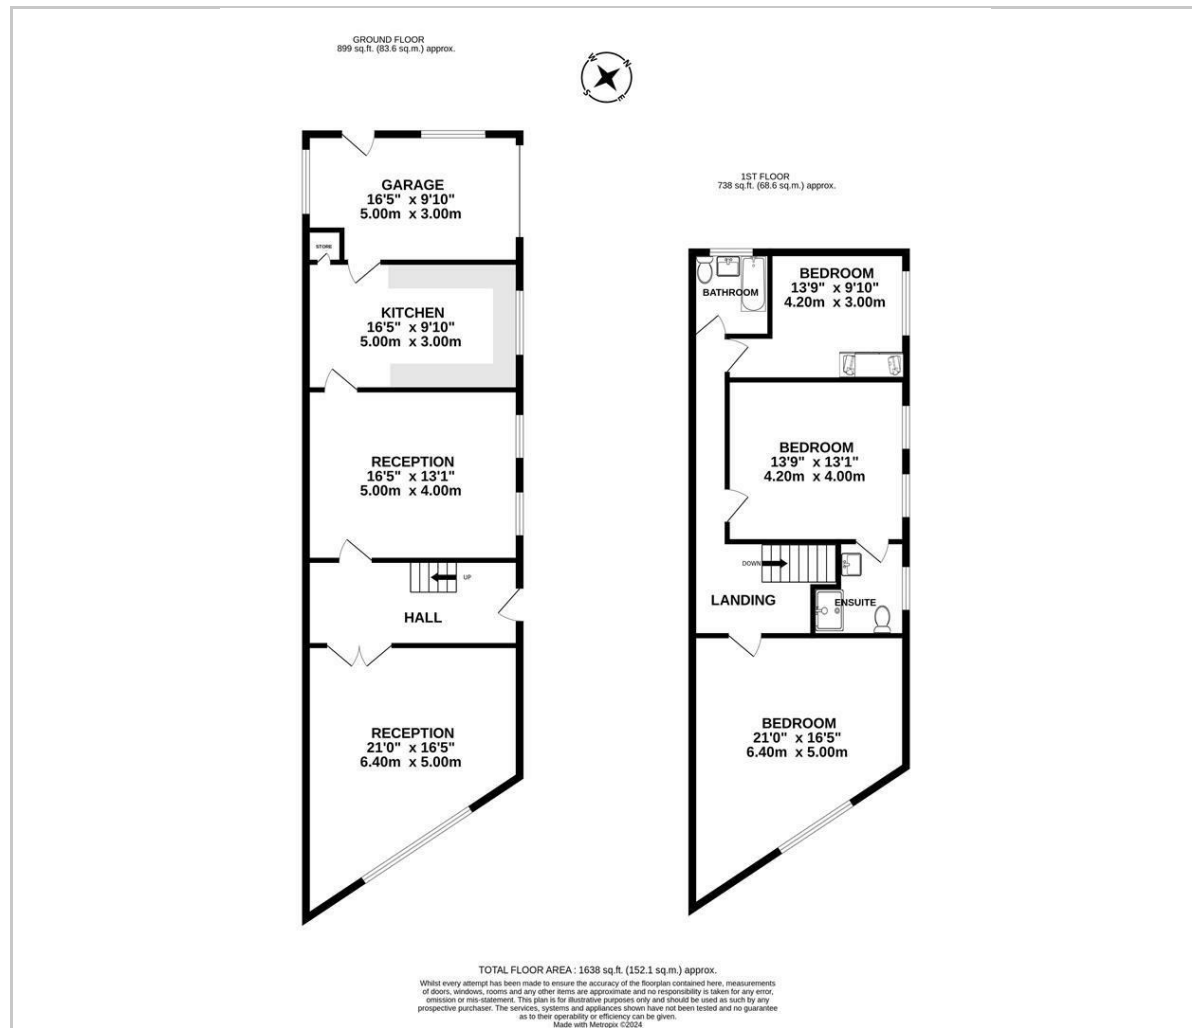

A very handy location 'between the parks'; for directions Sat Nav: CH42 5NJ
