A beautiful home with a beautiful outdoors to match. Take tour through our slide show of photos and then when you're appetite is wet come and view the real deal and experience what comes across to us in just a few visits as a hugely comfortable and very desirable and refurbished home. And of course you'll see there is more than one outstanding feature to this 'show home'; there are several.

We can't prioritise for you for what grabs you as the best feature may not be another's. Of course the open plan kitchen is special; so to the outlook onto a south facing a newly landscaped and designed private garden. Then gauge the standard and specification (as well as the appeal) of the ground floor shower room as well as the luxurious first floor bathroom or simply the comfort of the through living room with its open fire; not to mention the bowling alley sized hallway - fabulous space for all the wellies et al and with a utility room just off for more of your clutter....

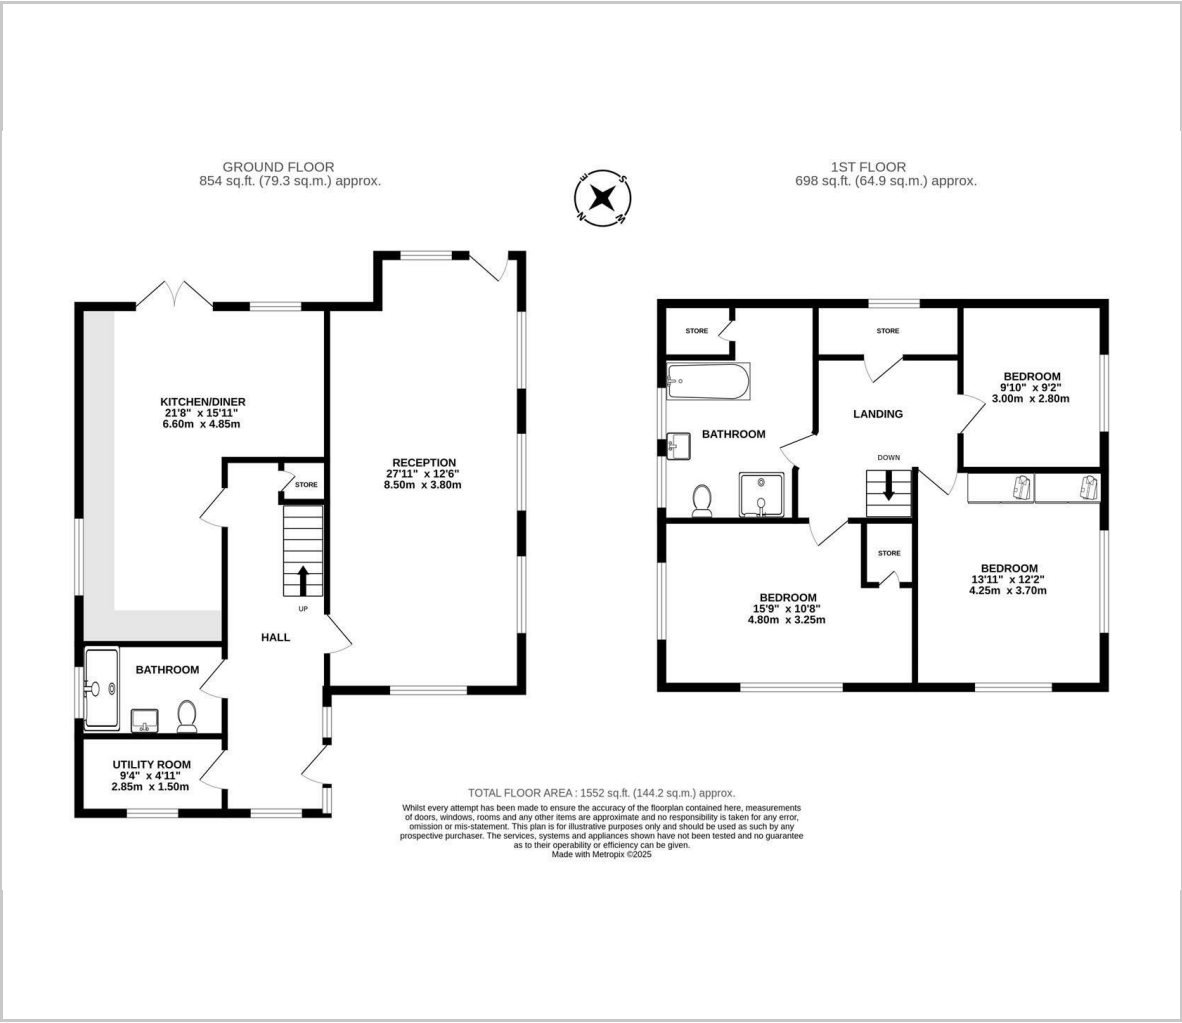

Beautifully presented we say; a fabulous location too without doubt with this home sitting along a short cul de sac within the village a five minute walk to the village shops..

Such a handy yet quiet spot in the village. For your directions please sat nav: CH43 2HD - you could be at the tunnel entrance for work in the city in less than ten.
