This is not just any run of the mill Coach House, if ever there was such a thing, but rather an interesting and slightly larger than expected (from the outside appearance) Coach House offering a number of attractive features.

In simple terms this property offers two principle rooms to ground floor and two double sized bedrooms to the first. There is a hall, a study (potential shower/cloakroom conversion) off this hall and a super sized kitchen dining room with double opening doors to the living room (and more doors to the private yard).

Up via the spiral staircase to the first floor where a good landing area offers excellent storage space and where a very smart combined bathroom services the two bedrooms.

There's good lighting, a pleasant view from the primary bedroom to the rear looking over the Rose Gardens of Oxton; fabulous storage, an extensive smart kitchen; a separate study, oak effect double glazing and gas central heating. There's also parking for one car.

Standing equidistant between Oxton Village and Prenton Village, the location of this former coach house is excellent. For those requiring a bus route too there's a service along Storeton Road. OXton Village offers a generous range of cafes and bars, a deli, post office etc whilst Prenton offers supermarket facilities. For directions please Sat Nav; CH43 5XA
