Accra House is a striking period residence of genuine distinction, now thoughtfully reimagined as a pair of elegant three-storey semi-detached homes. Ideally positioned in the heart of Oxton Village, this prominent property stands proudly on Claughton Firs—a tree-lined street known for its characterful and architecturally charming homes. With its standout black-and-white facade, Accra House commands attention, blending heritage style with an effortlessly contemporary finish.

Inside, this beautiful three-bedroom home has been curated with sophistication in mind. From the glamour of the open-plan kitchen, living, and dining space to the indulgent master suite that spans the entire top floor, every detail reflects a refined, on-trend lifestyle. Natural light fills the interiors throughout, and with a south to south-west aspect at the rear, the living spaces open onto a private, sun-drenched courtyard—perfect for quiet evenings or entertaining in style.

This home is as practical as it is beautiful, offering easy living in a thriving village setting. Oxton is well-loved for its strong sense of community, an excellent choice of independent bars, cafes, and shops, and a lifestyle that blends convenience with charm. Whether you're relaxing at home or enjoying the vibrant local scene, Accra House is perfectly placed to offer it all.

Now vacant and offered with no onward chain, the property is ready for immediate occupation—no delays, no compromises. If you're in a position to proceed, we warmly invite you to view and experience first-hand the exceptional quality and lifestyle this home provides. Please use CH43 5TQ for Sat Nav directions.
