Guide Price £375,000

Situated within the desirable parish of West Wittering, this three-bedroom semi-detached house offers an excellent opportunity for those seeking a home with plenty of potential, combined with a practical layout and generous living spaces. The property is offered with no onward chain, making it an attractive prospect for both families and buyers looking to put their own stamp on a house in this sought-after coastal location.

On arrival, the driveway provides ample parking for several vehicles and is gated, leading to a detached garage which is ideal for further storage or workshop use. Stepping inside, the accommodation is well-arranged and offers a balance of living and sleeping space to suit modern needs.

The west-facing sitting room is a particular highlight, enjoying afternoon and evening sun through a large bow window. This room feels bright and welcoming and provides a comfortable space for relaxing or entertaining. A door leads through to the kitchen, which is fitted with a range of units and has provision for essential appliances including an under-counter fridge, freezer, washing machine and tumble dryer or dishwasher, along with space for a range-style cooker. Beyond the kitchen lies the conservatory, offering an additional living area with direct access to the garden.

Upstairs, there are three bedrooms in total, two of which are generous doubles with the benefit of recessed wardrobe and storage space in bedrooms one and two. The shower room completes the first floor, fitted with a large walk-in shower, basin and WC.

While the property would benefit from some updating, it is more than comfortable enough to move straight into, allowing buyers the flexibility to make changes gradually and according to their own tastes.

Externally, the rear garden is designed with ease of maintenance in mind, being largely laid to patio and offering a pleasant, private space to enjoy throughout the seasons. The detached garage is accessed via the driveway through wooden gates, and there is plenty of additional parking space available on the front driveway.

Additional benefits include gas-fired central heating. Some of the kitchen white goods, as well as the range-style cooker, may be available by separate negotiation, adding to the convenience of the purchase.
