The conservatory leads us into the rear hallway where we find doors opening to the bathroom and separate WC. Both rooms are fitted with basic white fittings. Stepping into the main house we enter the kitchen/dining room where a range of fitted wall and base units provide storage and working space above, whilst a large walk-in pantry offer an excellent addition. Windows to two aspects bring natural light to the room and the oil fired boiler is set to the chimney. Completing the ground floor find the sitting room, a generous dual aspect room which enjoys a feature fireplace providing a central focal point. From the entrance hall, stairs rise to the first floor landing where doors open to all three bedrooms. The two smaller rooms are set to the front and rear of the property. At the front a generous single room enjoys the garden and field views over Norwich Road, whilst at the rear we find a double bedroom with fitted wardrobe again enjoying the far reaching views. Completing the accommodation the master bedroom is a fantastic size and enjoys double fitted wardrobes and a dual aspect. A large over stairs cupboard offers additional storage.

Outside

Approaching the property from Norwich Road via double gates we arrive on the driveway where the scale of the extensive front and side plot is instantly apparent. The drive runs to the side boundary leading to a large parking and turning area in front of the single garage. Here we enter the property via the conservatory whilst crossing the vast lawned frontage we find a path leading from the pedestrian gate to the front door. The frontage is laid to lawn and framed with a range of planted lavender and rose beds. The front and side plot offer a superb opportunity to double the size of the home (stpp). Passing the garage we step to the rear of the house where a gate leads to a large patio and we find a further generous garden space laid to lawn. Here we find a timber workshop, shed and kennels which once clear offers an impressive rear garden space.
