The property is located in the small popular village of Kingseat, which is well placed for access to all local amenities and the M90 motorway. A short drive takes you into Dunfermline itself which provides a larger selection of shops, schools, bars, restaurants and public transport of bus and rail links making the area an ideal commuter base to Edinburgh, throughout Fife and east central Scotland. The city of Dunfermline is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Palace reflect the historic interest of the City, whilst recent developments have seen Dunfermline move into the modern era. Kingseat is located approximately four miles from the Forth Road Bridge and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. The local railway stations provide a regular service to Edinburgh with inter city links to other parts of the UK. There are regular and convenient bus services both local and national.
