PROPERTY

12 Poplar Grove, Dunfermline, KY11 8AT

Offers Over £240,000

We are delighted to be marketing this stunning detached villa situated in the ever popular Pitcorthie estate in Dunfermline. This property would suit a growing family or indeed couples and provides good outdoor space with landscaped gardens and feature decking. The accommodation is well presented and briefly comprises entrance hallway leading to open plan dining kitchen/family area and lounge on the ground floor. On the upper level there are three bedrooms with good storage and stylish family bathroom. Access to attic. The property has a double driveway leading to single garage. There is gas central heating and double glazing throughout. Early viewing recommended.

### LOCATION

The ancient capital of Dunfermline won its bid to have official city status in May 2022, as part of the civic honour's competition to celebrate the Queen's platinum jubilee. The City of Dunfermline is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era with Carnegie Museum and Library. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. It benefits from a full range of shops, social and leisure facilities and educational establishments. The local railway stations provide a regular service to Edinburgh with intercity links to other parts of the UK. There are regular and convenient bus services both local and national.

### EXTRAS INC IN SALE / AGENTS NOTE

All floor coverings, blinds, bathroom and light fittings together with integrated appliances.

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system"). No warranty is given that any interlinked system has been installed in this property and interested parties should make their own enquiries.
