Offers Over £310,000

We are delighted to be marketing this executive detached villa occupying an enviable corner plot within modern exclusive estate. This generous family home is close to local amenities, schooling and retail parks which are a short walk/drive away. The accommodation is well presented and briefly comprises entrance vestibule, hallway, w.c, lounge with patio doors to gardens, separate dining room (garage conversion) and fitted kitchen. The family room could be used as a fifth bedroom if desired. On the upper level there are four bedrooms with master en-suite and modern family bathroom. Access to attic. There are above generous gardens to the rear which are fully enclosed providing a child and pet safe environment with section of decking. The property is double glazed with gas central heating together with double driveway and ample visitors parking.

LOCATION

The ancient capital of Dunfermline won its bid to have official status city in May 2022, as part of the civic honour's competition to celebrate the Queen's platinum jubilee. The City of Dunfermline is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era with Carnegie Museum and Library. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. It benefits from a full range of shops, social and leisure facilities and educational establishments. The local railway stations provide a regular service to Edinburgh with intercity links to other parts of the UK. There are regular and convenient bus services both local and national.

EXTRAS INC. IN SALE/AGENTS NOTE

All floor coverings, blinds, bathroom and light fittings together with integrated appliances.

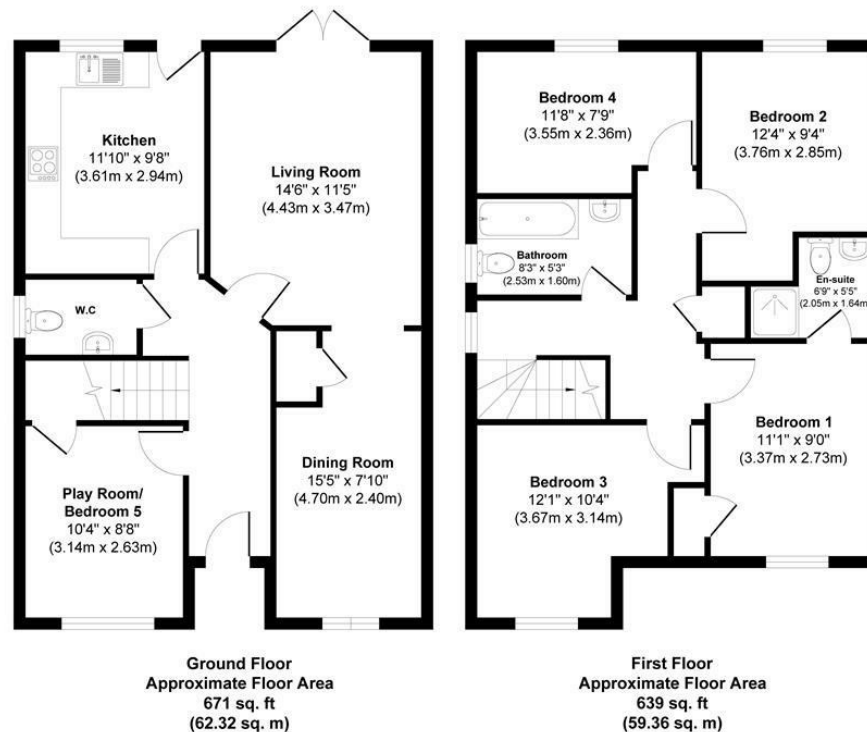

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system"). No warranty is given that any interlinked system has been installed in this property and interested parties should make their own enquiries.
