PROPERTY

14 Millhill Street, Dunfermline, KY11 4TG

Offers Over £189,950

Early entry is available for this traditional upper apartment offering generous living space and pleasant open outlooks to the front and rear. In addition there are large well maintained communal gardens with drying green and ample external storage. The property is offered in nice condition and would suit families and couples looking for a city centre dwelling within a short walk of the railway station and all local amenities. The property is accessed via stone steps to the rear and briefly comprises entrance vestibule, hallway (with access to a large attic space), bright lounge, fitted dining kitchen, two double bedrooms and single room together with bathroom with overhead shower. The property benefits from gas central heating, double glazing and a new roof to the rear elevation. There is ample on street parking.

### LOCATION

The ancient capital of Dunfermline won its bid to have official city status in May 2022, as part of the civic honour's competition to celebrate the Queen's platinum jubilee. The City of Dunfermline is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era with Carnegie Museum and Library. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. It benefits from a full range of shops, social and leisure facilities and educational establishments. The local railway stations provide a regular service to Edinburgh with intercity links to other parts of the UK. There are regular and convenient bus services both local and national.

### EXTRAS INC. IN SALE/AGENTS NOTE

All floor coverings, blinds, bathroom and light fittings together with integrated appliances.

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system"). No warranty is given that any interlinked system has been installed in this property and interested parties should make their own enquiries.
