The Property

Situated within a short walk from Durham City Centre, 45 South Street is an exquisite Grade II Listed Georgian townhouse featuring a private rear garden and an elegant interior. The symmetrical exterior is a testament to classic Georgian architecture, showcasing a beautiful façade with a slate tile roof and sash windows with fine glazing bars.

Stepping inside, the property continues to impress with its grand living spaces. Interior designs have been carefully chosen to both enhance and complement the original style and character. Period features that are typical of the era include high ceilings, decorative cornicing, classic fireplaces, and wide-plank wooden flooring.

The grand dark-toned fireplace in the expansive entrance hall is a focal point of the space. The impressive surround, extending to the ceiling features an array of intricate details that showcase quality craftsmanship. The similarly striking staircase completes this inviting entrance. From here, you can easily access the kitchen, dining room, and garden room, as well as a convenient cloakroom and utility room.

The kitchen is light and beautifully appointed, featuring cream coloured traditional shaker style cabinetry paired with warm wooden worktops, a large electric Rangemaster and an integrated dishwasher. A generous island enhances both storage and worktop space and includes breakfast bar seating for casual dining. The adjoining dining room is a highlight, rich in character, making it the perfect place for formal hosting and entertaining.

The main reception rooms are on the first floor, alongside a well-appointed bathroom. The beautifully presented sitting room and drawing room are arranged to create comfortable and intimate seating areas. The rooms also boast elegant chandeliers and expansive bay windows, which provide ample natural light and offer stunning views of the River Wear and beyond. Additionally, there is a versatile room, ideal as an additional living area or a dedicated home office.

The second-floor hosts three similarly grand double bedrooms with unique period details and excellent views. The principal bedroom benefits from a spacious dressing room. The bedrooms are served by a contemporary bathroom. This stylish space is equipped with a freestanding roll top bath and a separate shower cubicle.

The windows on the third floor boast breathtaking panoramic views of Durham City Centre and the majestic Cathedral. This floor is thoughtfully designed with three bedrooms, a contemporary shower room, and ample storage space.
