32 University Farm, Moreton-in-Marsh, Gloucestershire, GL56 0DN

£387,500 Leasehold

Property Description

Positioned only a few hundred yards from the centre of one of the most famous high streets in the north Cotswolds yet occupying an idyllic location with views over the tranquil water garden, this inner terrace, 2 storey, 2 double bedroom town house is available exclusively to those over 55 years of age and is strongly recommended for those looking for a retirement property on level ground.

The property forms an integral part of the University Farm complex with an onsite warden available most mornings and where there is also a communal swimming pool in a separate building with outside seating area which can be booked for special occasions.

The property itself has a light and airy ambiance and of spacious proportions making it easier for those looking to downsize their accommodation.

There is smart modern fitted kitchen with a range of integrated appliances, a through living room/dining room with dividing doors and a cosy rear garden room taking full advantage of the afternoon sun.

There is a combined ground floor cloakroom and utility area with a built-in washer dryer and at first floor level there is a spacious landing and both double bedrooms have built in wardrobes with the front bedroom enjoying the best views of the water gardens. The property is warmed with underfloor and ceiling heating, sealed double glazing and externally there is the advantage of its own garage and visitors parking area.

Moreton-in-Marsh is one of the traditional market towns with a tree lined high street with 2 large supermarkets, a wide range of shops, tea rooms and very close The Manor House Hotel. The town has its own community hospital and 2 doctors surgeries close to University Farm and the all important railway station with direct links to Oxford and London Paddington.

Accommodation Comprises

Entrance Hall

(8' 10" x 7' 2") or (2.68m x 2.19m)

Directions

From our Moreton-in-Marsh office, turn left continuing south along the high street continuing over two mini roundabouts and turning left opposite the Manor House into Parkers Lane. The first driveway on the right-hand side leads to University Farm and the main visitor parking area. Continue on foot retracing your steps across Parkers Lane through a small gate and this property is the second house on the right hand side.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92+) A		
(81-91) B		
(69-80) C		70
(55-68) D		
(39-54) E		
(21-38) F	38	
(1-20) G		
Not energy efficient - higher running costs		
England, Scotland & Wales		EU Directive 2002/91/EC

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

MISDESCRIPTIONS CLAUSE We would like to inform prospective purchasers that Holmans Estate Agents have not tested any included apparatus, equipment, fixtures, fittings, central heating systems or services mentioned in these particulars, and purchasers are advised to satisfy themselves as to their working order and condition.
