From The Agent's Perspective:

This is a lovely, well-presented home that's set in a central part of Higham. The private garden is a real bonus - thoughtfully laid out and easy to enjoy all year round. The layout inside makes great use of space, especially the open-plan areas, which feel bright and welcoming.

From The Client's Perspective:

We have loved living in Higham, a rural area in the beautiful countryside. There is a great sense of community within the village, and the villagers work hard to create a peaceful, safe place to live and bring up their children. I also like how the villagers organise special events, including May Day festivals and the scarecrow competition every year. We have also enjoyed lots of walking with our dog.
