38 Cranmere Avenue, Tettenhall, Wolverhampton, WV6 8TS

Planning permission has previously been granted (now lapsed) for substantial extensions to this single storey residence to provide a substantial, 3,616 sq ft (in total), five bedroom family home with the potential for a ground floor annex, in a sought-after location. The property could also be refurbished in its current layout to provide fine bungalow.

LOCATION

Cranmere Avenue is a pleasant residential area situated between Woodthorne Road, Yew Tree Lane and Wergs Road which has considerable character because of the mix of types and styles of properties which were all originally built by the same builders but to designs by a number of different architects.

The shopping facilities in Tettenhall village, Codsall and at Perton are within convenient access, Wolverhampton City Centre is close at hand and is served by a bus route along Wergs Road and Tettenhall Road and there is a wide range of amenities and facilities in the area.

DESCRIPTION

38 Cranmere Avenue is currently a single storey property providing two living rooms, kitchen, laundry, conservatory and three bedrooms, a bathroom and an en-suite WC. The property requires a comprehensive scheme of refurbishment throughout and there is the potential to refurbish the property to create a superb bungalow.

Planning Permission has been granted for substantial works of extension and remodelling to create a modern family home with contemporary elevations and a superb flow of living spaces throughout. There is a shower room off the main living room which could therefore be utilised to provide a self contained annex. The proposed accommodation will extend to some 3,294 sq ft of living accommodation with a 322 sq ft garage and provides:

- Hall
- Cloakroom

- Large living room, with shower room off (potential annex)

FIRST FLOOR

- Second suite with bedroom, walk in wardrobe and shower room
- Three further double bedrooms
