DESCRIPTION

The property was originally a pair of semi-detached cottages which have been altered to create a lovely, family home of much warmth and character. Some years ago a new kitchen was installed, the house was rewired virtually throughout, two new bath / shower rooms were fitted, a replacement boiler was fitted, the grounds were landscaped and the property was decorated throughout. There are double glazed windows virtually throughout.

An enormous amount of period character remains with some lovely old beamed and raftered ceilings and there are rooms of notable proportions.

There is the potential for the creation of a self-contained annex to the ground floor which could be formed from the Lounge, ground floor Shower Room and Laundry to provide a one bedroom unit with independent front door. This would be ideal for dependent relatives.

A former garden building has recently been converted to provide an Annex, with cloakroom, which could be used for a variety of different purposes.
