LOCATION

Perton Ridge is one of the most sought after addresses within the region and provides a wonderful, semi-rural setting which is within easy reach of several local business centres.

Plas Gwyn benefits from a superb frontage and a level rear garden. The escarpment position affords panoramic views to the rear over undulating South Staffordshire and Shropshire countryside and there is a charming rural aspect to the front.

The house is conveniently situated for easy access to a wide range of local everyday amenities and facilities in both Pattingham and Tettenhall village centres whilst there is easy access to Wolverhampton City Centre. Motor communications are excellent with the M5, M6, M6 Toll and M54 facilitating travel to Birmingham, Telford and the entire industrial West Midlands whilst national rail services run from Wolverhampton station (London Euston from approximately 100 minutes).

The area is well served by schooling in both sectors with numerous, highly regarded schools being nearby including Birchfield Preparatory School in Albrighton, St Dominics Grammar School in Brewood, Tettenhall College, Wolverhampton Grammar School and the Wolverhampton Girls' High School. There is also an excellent primary school in the centre of Pattingham.

DESCRIPTION

Plas Gwyn was purchased by the current sellers in 2017 and, since that time, has been the subject of a comprehensive scheme of remodelling, extension and refurbishment throughout to create a well balanced family home of much distinction.

The property has a particularly attractive elevation of much architectural note with a gabled porch, dormers and a conical turret and there is a delightful, level garden to the rear with extensive terracing and plunge pool, all of which take maximum advantage of the beautiful views.

Internally the property has been finished to an incredibly high standard with an exacting attention to detail with the focal point of the ground floor being the stunning living kitchen by well-known specialists Paul Morgan.

There are extensive living areas to the ground floor together with five double bedrooms and four bath / shower rooms to the upper floor.

When the property was refurbished, the house was taken "back to brick" and was fully rewired, a new central heating system installed, all of the windows were replaced, and the property was reroofed and luxurious kitchen and bathroom suites were installed. The property is now unquestionably one of the finest houses on Perton Ridge.
