LOCATION

Bernard's Hill is a highly commutable location between the A442 and the A458. Bridgnorth offers many exciting and historical attractions that can be accessed on foot. Near-by are riverside walks, amenities, pubs, shops and tea rooms and across the bridge the Cliff Railway gives access to the High Town shops, cinema, theatre, weekend markets and a hospital. Also nearby is the famous Severn Valley Steam Railway and Severn Park.

ACCOMMODATION

This cottage forms part of an old converted farmhouse still retaining some of the characterful features to include oak flooring and high ceilings with timber beams running through the ground floor accommodation. Having recently just been updated and re-styled this cosy cottage sits upon Bernard's hill with gas central heating and double glazing with views across the Severn Valley with glimpses of the vintage steam railway.

A composite stable front door opens through into the LOUNGE with solid oak flooring, original exposed timber beams and fireplace housing a cast iron long burner. The KITCHEN is fitted with matching base and wall cupboards, inset ceramic sink with mixer tap and integrated appliances to include fridge, freezer, dishwasher and washing machine. A stable door to the side gives access to the garden area. Completing the ground floor is the BATHROOM comprising a white suite to include a free standing bath, separate shower, WC and wash hand basin set within a vanity unit.

Stairs rise to the FIRST FLOOR LANDING where there is a window to the side elevation and access to a boarded loft space with pull down ladder. The MASTER DOUBLE BEDROOM enjoys views across town and the Severn Valley Railway with a versatile second room making an ideal DRESSING ROOM or STUDY.

OUTSIDE

From the kitchen, a stable door opens out to a delightful centre courtyard arrangement having been designed to offer a communal patio terrace with the adjoining neighbours with steps rising to a private tired garden area with decked seating area, lawn and a timber shed. An archway leads to a communal enclosed storage area having power connected. There is gated side access.
