OVERVIEW

Converted as part of the 'Cranmoor Village Scheme' in 2014 adjacent to the the Bradshaw Estate, the original farmhouse and barns were developed in this glorious rural setting to provide luxury living accommodation in a very private and tranquil location with an abundance of country walks from the door. All of the ground floor rooms are of generous proportions, are light and airy and all have a lovely open rural aspect to the front.

ACCOMMODATION

Entering into the barn from the front courtyard, the spacious reception hall provides a grand entrance having fitted bookcases with a guest cloakroom and engineered oak flooring that extends into the lounge, hall and dining room. The lounge features a log burner with a brick chimney breast flanked by two fitted bookcases. The spacious breakfast kitchen links to the large dining room having a comprehensive range of fitted units with a combination of granite and wooden work tops. There are integrated appliances including a dishwasher, fridge freezer, double eye level oven and microwave, gas hob and extractor above. A centre island includes a breakfast bar and a convenient door leads into the garden. Leading into the dining room, this creates a more formal entertaining area with engineered oak flooring.

On the first floor, the landing with sky lights leads into four good bedrooms, three having built in wardrobes and each having a luxury en-suite.

OUTSIDE

The barn is private, with gated drive access into the walled garden and block paved parking area. The garden is landscaped with a large lawned area and flower borders. with a footpath giving access to the front door, with just a few yards to miles of public footpaths, including the Staffordshire Way.
