Of generous proportions with underfloor heating throughout, we would recommend internal viewing to appreciate the scale of the room sizes. This family home features an impressive open plan 'live in' dining kitchen, countryside views to the front and rear with a large lawned garden. The double detached garage has a useful fully boarded loft space with ladder access.

On entering the property there is a light and very spacious hall, doors lead to the living room, kitchen/diner and further sitting room/study. There is a separate utility room with downstairs toilet and shower facilities, with a further storage cupboard which houses the boiler and air source heat pump system.

The living room has a bright and modern feel with bifold doors providing great views over the garden and beyond.

The staircase rises to a spacious landing. The principal bedroom enjoys extensive views over the surrounding countryside and has a walk-in wardrobe, en-suite bathroom with bath, shower, toilet, twin sinks and heated towel rail; there is a further adaptable space that could be used for a nursery or further walk-in wardrobe area. The second guest bedroom is light and spacious with an en-suite shower room. From the bedroom there is also access into the loft which is fully boarded and has provisions to be converted with plumbing already installed (subject to building regulation approval). There are three further large bedrooms. The family bathroom is fitted to include both a bath and shower.
