Its private setting and type is rare and the extensive family accommodation comprises over three storeys. In the basement there are a number of further rooms, ideal for storage or potential for gym/playroom/office. Entering into the hall, there is a guest cloakroom, drawing room and dining room (with a wine cellar) that leads into the garden room, which has double patio doors opening directly onto the garden. Adjoining is the re-fitted breakfast kitchen with its original dresser, its stunning bay window and door to the garden. These rooms enjoy high ceilings, some sash windows with shutters, an open fire in the drawing room and extensive southerly views across the valley.

An oak staircase leads to the first floor with an airing cupboard and three double bedrooms. One with an en-suite shower room and another with double French windows leading onto a roof garden, with extensive views both down the valley and up to St Mary's Church.
