We are pleased to present this charming extended end of terrace family home located on Princes Drive in the desirable area of Lodmoor, Weymouth. This property features three well-proportioned bedrooms, an independent driveway, and an integral garage, making it an ideal choice for families seeking comfort and convenience.

Upon entering, you are welcomed into a bright entrance porch that leads into a spacious lounge, enhanced by a large double-glazed window that fills the room with natural light. A side door provides access to the stairs, which cleverly incorporates a generous storage cupboard beneath. The property has been thoughtfully extended, with sliding doors that open into a delightful family room and dining area, where two additional double-glazed windows overlook the rear garden. An archway connects this space to the modern kitchen, which is equipped with a stylish range of eye and base level units, a four-ring gas hob, an integral electric oven with an extractor hood, and ample space for a slimline dishwasher and washing machine.

Ascending the stairs to the first floor, you will find all three bedrooms and the family

bathroom. Bedrooms one and three are positioned at the front, benefiting from good natural light, while bedroom two overlooks the tranquil rear garden. The family shower room is contemporary in design and well-appointed, featuring a vanity wash hand basin and WC with a large shower cubicle.

Externally, the property boasts an independent driveway providing off-road parking for multiple vehicles, leading to the integral garage with an up-and-over door. A side walkway grants access to the low-maintenance rear garden, which is privately enclosed and predominantly paved, perfect for outdoor seating, with a small lawn area bordered by shingle.
