Outside the property benefits from gardens to the front, side and rear, an independent driveway and garage. Viewing is advised to fully appreciate the accommodation on offer.

From the entrance hallway, access is gained into the open plan living area and WC with modern WC and wall mounted wash hand basin. The heart of this home is undoubtedly the open plan living area boasting a modern fitted kitchen with integral appliances including a double oven, halogen hob and dishwasher as well as space for an American style fridge freezer. The solid wood worktops flow to create an informal dining area. There is ample space for lounge and dining furniture in this tastefully decorated room with is filled with an abundance of natural light from two sets of French doors to the rear garden as well as windows to the side. A utility room to the side hosts further storage cupboards and plumbing for a washing machine.

An inner hallway leads to the two double bedrooms and shower room. Both bedrooms are stylishly decorated with good natural light. The shower room is contemporary with double shower cubicle, wall mounted vanity wash hand basin, low level WC and stainless steel towel rail.

Outside, the gardens to the front and side are predominately laid to lawn. An independent driveway leads to the garage, providing off road parking. The rear garden enjoys a patio area adjacent to the property overlooking the garden which is predominately laid to lawn with pleasantly planted borders. A brick built shed provides storage for garden equipment.

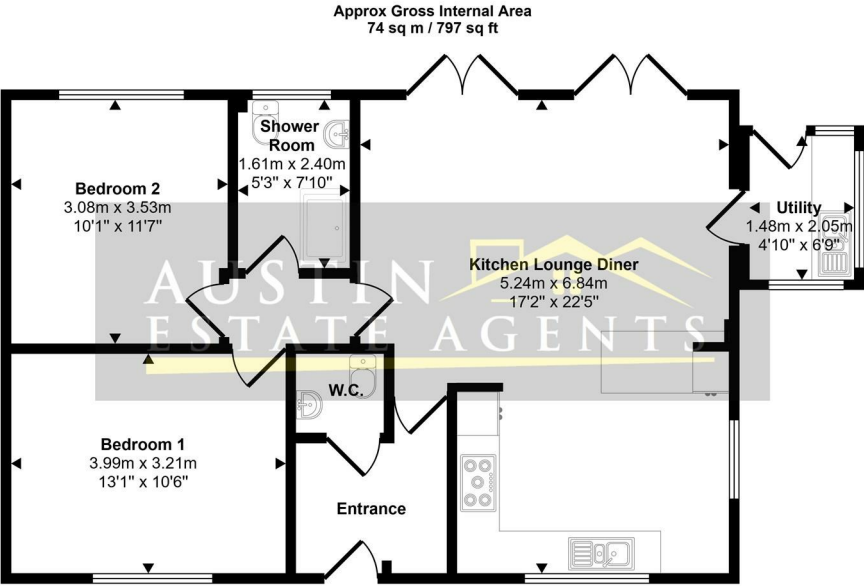

The property is situated in Valley Road, a sought after development benefiting from excellent views towards Bothen Hill. A nature reserve runs along the eastern boundary of the development, connecting to the former railway line which leads to West Bay. Pedestrian routes provide convenient access to Bridport town centre, located approximately one mile away.

Bridport Town Centre is vibrant and well served, offering a wide range of predominantly independent shops, a twice-weekly street market, an artists' and vintage quarter, the Electric Palace theatre and cinema, an art centre, and a leisure centre with indoor swimming pool and fitness facilities. Bucky Doo Square regularly hosts live music, festivals and community events throughout the year. West Bay is located approximately 1.5 miles away and provides a fishing and boating harbour, beaches, and access to the Jurassic Coast and South West Coast Path.
