THE PROPERTY

We are delighted to present the market, with no onward chain, a wonderful semi detached house that has been in the family for a very long time. The property has been extended to the rear and offers good quality double glazing, a recently installed gas central heating system, three bedrooms, two reception rooms, kitchen, utility room, ground floor cloakroom and modern shower room as well as front and rear gardens. This family home would benefit from some cosmetic updating, which has been reflected in the asking price, but offers a tremendous opportunity to a perspective purchaser to make this their forever home.

An entrance porch gives access to the reception hallway housing stairs ascending to the first floor, a useful storage cupboard and doors to the two reception rooms. The lounge, situated to the front of the property, enjoys a large double glazed bay window providing good natural light with a gas fireplace to the centre of the room. The dining room is well proportioned with a double glazed window overlooking the rear garden, a gas fireplace and a door to the side leading to the kitchen. The kitchen is fitted with range of storage units with space for domestic appliances. The utility room naturally flows from the kitchen area and is a spacious area. From here the ground floor cloakroom and rear garden can be accessed.

The first floor landing is a good size and hosts doors to all first floor rooms. Bedroom one is situated to the front of the property with a large double glazed bay window providing good natural light. Bedrooms two and three are situated to the rear of the property and have the added advantage of overlooking the rear garden. The modern shower room, situated to the front of the property, comprises a large shower cubicle with glass screen, low-level WC and pedestal wash hand basin with an opaque double glazed window to the front.

Externally, an enclosed, low maintenance, front garden provides access to the entrance porch as well as the side of the house leading to the rear garden. The garden has a raised patio area adjacent to the house with steps down the remainder of the garden. There is a large corrugated workshop in the garden, which in the past has had versatile use.

This family home is situated within close proximity of local shops and amenities, including Radipole Park Gardens, Radipole Nature Reserve, a well regarded primary school and bus routes to surrounding areas. Weymouth Town Centre and Weymouth Railway Station are approximately half a mile away.
