Directions

From the centre of Banks Village and next to St Stephens Church turn right onto Vicarage Lane, proceed north on Vicarage Lane to its junction with Charnleys Lane where you turn left and the subject property will be found immediately on the right hand side, clearly marked by the sole selling agent's board. The location plan of the property comprises part of these sales details.

The Farmhouse

Of rendered brick under slate construction, the farmhouse offers a total of circa 144m² of accommodation arranged as follows (see attached floor plan):

Ground Floor

Kitchen
Pantry
Bathroom
Sitting Room
Living Room
Dining Room

First Floor

Bedroom 1
Bedroom 2
Bedroom 3

Barn

Adjoining the house is a traditional barn of brick under slate construction providing a range of stables, former shippens and barns. The total area of which is approximately 125m² with a loft over part of circa 52m².

Double Garage

A double garage of brick under slate construction with adjoining lean-to.

Dutch Barn

A large 4-bay Dutch Barn of steel and brick and timber construction.

Cart Shed

A traditional cart shed of brick and slate construction and open fronted.

The Land

There is a total of 3.5 acres (1.40 ha) of land at Croppers Farm which is down to grass.

Method of Sale

The property is offered for sale by Private Treaty and is shown edged blue, for identification purposes only, on the plan on the rear of these sales details.

Tenure and Possession

The property is offered freehold and with vacant possession.

Rights of Way, Wayleaves and Easements

There is a wayleave in favour of Electricity North West Limited crossing the property for poled electricity supplies. Access to the property is direct off the public highway.

Condition of the Property

The property has suffered from structural movement as will be evidenced on inspecting the same and is in need of modernisation. The vendors do not believe that the current septic tank serving the property complies with current regulations.

Purchasers acquire the property as seen and in its current state and with no warranty from the vendors and should assume that they will need to replace the existing septic tank in order to comply with current regulations.

Services

The property enjoys mains water, electricity and septic tank drainage (referred to above).

Guide Price

The guide price for the whole is offers in the region of £530,000.
