

CONTEMPORARY OFFICE SPACE TO LET

THE NEW ENDEAVOUR
FOR BUSINESS

themerchantplymouth.com

THE BUILDING

The Merchant is a bold example of post-industrial architecture, providing 31,785 sq. ft. of open plan, contemporary office space of the highest specifications. Externally clad in concave polygon concrete panels set with marble stone, The Merchant provides a sense of history while looking firmly to the future.

Inspired by Plymouth's regeneration program, the developer tasked a team of local professionals led by ADG architects to breathe life back into the building. Targeting leading-edge sustainability, premium specifications, and sophisticated style, The Merchant delivers.

This dynamic office is designed to meet EPC 'A' rating, high end services technology, and stunning specialist interior finishes. The Merchant opens visually with large glazed curtain walling and an expansive floor plate, providing maximum flexibility for any office layout requirements.

The lower ground entrance provides a collaborative and vibrant communal area, overlooking a carefully considered landscaped courtyard.

The Merchant aims to boost productivity, wellbeing and creativity, achieved by the original design and high quality finishes throughout.

The bright stylish reception, with contemporary feature lighting, opens onto Notte street with a new Piazza, providing convenient accessibility to the historic Barbican and City Centre.

The whole of the Ground Floor has been let to Marine Learning Alliance. MLA College is a provider of award-winning technology enhanced online and distance learning degrees in a range of subjects.

02

THE CITY OF PLYMOUTH

WHERE THE BUSTLING CITY CENTRE MEETS THE VIBRANT BARBICAN

Plymouth is the most significant urban area on the South West peninsula. It has a population in excess of 260,000 residents with a further 100,000 people living with the city's travel to work area. The city provides an extensive range of retail, business, leisure and amenities facilities, together with employment opportunities.

Plymouth is Britain's Ocean City has the largest naval base in Western Europe; it benefits from mainline rail to London Paddington (3hrs 15mins), and has a cross-Channel ferry terminal. The A38 Devon Expressway provides dual carriageway access to Exeter (35 miles) and the motorway network beyond.

Plymouth is an ambitious city with huge growth potential and is undergoing exciting changes, with many more on the horizon. Plymouth has a unique set of competitive advantages on which to build upon in its transition to a more competitive and thriving knowledge-based economy. A high quality educational infrastructure, including two universities and a substantial pool of young talent, continues to grow, playing an ever increasing role in supporting economic growth agendas

BUSINESS RATES & EPC

The building will be assessed by the Valuation Office based on the various sized suites created.

EPC – Designed to meet an 'A' rating.

LEASE TERMS

New leases are available on parts of floors, whole floors or combination of floors. These will be drawn on an effectively full repairing and insuring basis with a service charge levied.

SERVICE CHARGE

A service charge is levied on the building to cover the maintenance of the common areas, concierge, and communal services provided by the Landlord. Further details on the service charge budgets can be provided by the marketing agents.

LEGAL COSTS

Each party to cover their own legal and professional fees incurred in the transaction
