THE PROPERTY

A rare opportunity to acquire a delightful period property located just a stone's throw from the breath-taking Pembrokeshire coastline and Tenby's famous sandy beaches, available as a successful established bed and breakfast business or ideal for multi-generational six bedroom living. Situated in the beautiful seaside town of Tenby, this imposing Victorian four storey Town House retains many attractive period features such as ornate coving, ceiling roses, dado and picture rails and grand original staircases, and offers the ideal opportunity to offer luxury self catering holiday accommodation, as a guesthouse, or would equally make an impressive family home. Only a short distance from amenities such as pubs, restaurants and schools at all levels, with excellent public transport links, this unique property offers versatile and spacious accommodation. Southside also benefits from a low maintenance sunny garden at the rear, and coveted off road parking in the detached double storey Garage, which has great potential to convert to additional accommodation; the current owner has had preliminary planning permission granted to convert to a One Bedroom One Bathroom Annex.
